T3 Triple Threat Youth Mentors (T3) proudly presents Disney's "Winnie-the-Pooh: A Christmas Tail"

About Our Event:

Join Winnie-the-Pooh and all his friends for the holiday production of "Winnie-the-Pooh: A Christmas Tail."

The show features a talented cast of up-and-coming performers and runs December 19th-21st with showtimes at 7:00 p.m. nightly at the North Park Recreation Center located at 4044 Idaho Street. This production is directed by Morie Williams and Nick Hessling with musical direction by Jason Chase.

The story – It's holiday time in The Hundred Acre Wood and it seems Eeyore has lost his tail again. Winnie the Pooh, Christopher Robin, Piglet and friends set out on an adventure to help find it before Christmas. Along the way our friends are reminded the importance of caring, sharing and helping others at this special time of year. Tickets are \$10 for adults and \$7 under 17 through our website or \$15 at the door. Proceeds to benefit our 2019 winter program.

About The Company:

T3 is a 501(c)(3) non-profit pre-professional training and performance program seeking to present learning opportunities that strengthen young people and sustain vibrant communities through the magic of theater arts. This production is made possible by a grant from musician/actor Josh Groban and his Find Your Light Foundation with additional support from the San Diego City Parks and Recreation Department. Please call 619-892-6748 or visit us on-line at T3Arts.com to purchase tickets, sign up, learn more or find out how you can help.

About The Director/Founder:

Singer, dancer and actor Morie Williams formed T3 to make arts education and mentoring more accessible both financially and socially to kids and teens throughout San Diego focusing in underserved communities of Central San Diego. Williams, most recently a featured entertainer with Barry Manilow's Production Company, Stiletto Entertainment, has been able to mobilize a network of his peers at a time when arts education through public schools has been severely under-funded.
